

LIFYORLI Quick Start Program Eligibility and Full Terms & Conditions

The LIFYORLI Quick Start Program offers up to two months of medication at no cost for eligible insured patients who experience a delay in obtaining a coverage determination that lasts five or more days from the date of submission of a prior authorization or formulary exception request.

- To qualify to receive medication at no cost through the LIFYORLI Quick Start Program, you must: (1) Be prescribed LIFYORLI for an FDA-approved indication by a healthcare provider licensed in the US or US Territories; (2) Live in the US or a US Territory; (3) Have prescription drug insurance through a commercial or government health plan; (4) Be experiencing a delay in getting a coverage decision from your insurance that is five days or greater from the date of submission of a prior authorization or formulary exception request; and (5) You or your healthcare provider is actively working with your insurance to get a coverage decision.
- Eligible patients will receive one 28-day supply of LIFYORLI as prescribed by their healthcare provider. If there is a further delay in coverage, and patient and healthcare provider are actively pursuing coverage, eligible patients may receive another 28-day supply refill.
- Once LIFYORLI is approved by your health plan, you are no longer eligible to receive medication through LIFYORLI Quick Start Program.
- Patients enrolled in LIFYORLI Quick Start Program and participating prescribers agree not to seek reimbursement for all, or any part of, the free product received by the patient through LIFYORLI Quick Start Program and agree that any medicines supplied by LIFYORLI Quick Start Program shall not be sold, traded, bartered, or otherwise transferred.
- If you are a Medicare Part D participant, you agree that you will not seek to have any medicine or any cost from it reimbursed by your Part D plan or counted towards your Medicare Part D true out-of-pocket costs (TrOOP) for prescription drugs.
- You understand that no patient, pharmacy, payer, or other third party may be billed for the free product provided through LIFYORLI Quick Start Program.
- This offer is not valid for patients who are uninsured, cash-paying or where prohibited by law.
- Corcept reserves the right to make the final decision regarding any LIFYORLI Quick Start Program eligibility and to verify the accuracy of the information submitted. All applications are subject to review at Corcept's sole discretion, and all decisions by Corcept are final.
- By enrolling in the LIFYORLI Quick Start Program and receiving your LIFYORLI prescription through this program, you give permission for Corcept Therapeutics and its affiliates to use your prescription data to help you use this program. You

agree that this data may also be de-identified and used to monitor and improve the LIFYORLI Quick Start Program for other patients.

- Participation in LIFYORLI Quick Start Program is free. No purchase necessary. Program is not health insurance, nor is participation a guarantee of insurance coverage. Other limitations may apply. Corcept Therapeutics reserves the right to rescind, revoke, or amend the LIFYORLI Quick Start Program and discontinue support at any time without notice.
